Pottery in Anatolia

A FIRST LOOK AT THE ABBASID DOMESTIC WARES FROM TARSUS GÖZLÜKULE (RECENT EXCAVATIONS)

Prof. Agnès Vokaer

Université libre de Bruxelles

Communication Type: Poster

agvokaer@ulb.ac.be

This poster provides a first view of the Abbasid domestic wares from the new excavations at Tarsus Gözlükule (Bogazici University, Turkey and Bryn Mawr College, USA). The poster will present the main categories of domestic wares (light utility buff wares, coarse wares and cooking wares) and address the issue of their provenance.
